

YOUR WEDDING

Dea Villas is a popular event venue, with the flexibility to rent up all 4 villas across the estate. The charming poolside and shaded garden at Villa Sarasvati are ideal settings for intimate weddings and other special celebrations, and the villa's location - amongst the rice terraces of Canggu, in rural Bali, yet only 600 metres from Berawa Beach and five kilometers from buzzing Seminyak, is hard to beat.

It is not compulsory to book all villas when holding an event, however we strongly suggest you to consider doing so for gatherings in excess of 80 guests. Villa Sarasvati can be booked in conjunction with any or all of the neighboring Dea Villas, including a romantic one-bedroom hideaway, making this multi villa estate ideal for sleeping event guests.

These guidelines are intended to give Event Organisers (EOs) and their client's guidance specific to Dea Villas and should be read in conjunction with [Elite Havens Villas' General Guidelines for Event Management](#).

EVENT FACILITIES

WEATHER

April through to October offers ideal conditions for any event at Dea Villas. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed

THE VILLAS

The main event space is in Villa Sarasvati, although Villa Sati's performance space may also be used upon request.

KITCHEN AND BAR

The kitchens of the villas may not be used during an event. Caterers should set up a satellite kitchen in the villa's parking lot and use a partition to screen off this area.

There are no bars at either event villas; caterers must supply free standing bars.

GUEST WASHROOMS

There is one public bathroom in each of the event villas. It is the responsibility of the EO and the guests to ensure belongings in the villas that remain open are stored safely. The EO is also responsible for ensuring the cleanliness of the bathrooms during events.

PARKING

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up only). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for one hour period for loading but should be off site at least one hour prior to the event.

REGULATIONS AND RESTRICTIONS

Villa Sarasvati has larger garden which allows holding bigger groups; the pergola's furniture can be all be removed.

The villa's living room is not available for event use and its furniture should not be removed nor moved.

No staging is to be built into or over the pool. Floating bamboo and foam structures for candles and flowers are permitted however they should be removed by the EO by 1am or as soon as guests enter pool in order to avoid any damage to the pool.

Marquees must be freestanding; fireworks, Thai wishing lanterns and balloon release are strictly forbidden.
