WEATHER

April through to October offers ideal conditions for any event at The Iman Villa. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT SPACE

The villa's is a fabulous venue for special events. The lush upper lawns are ideal for welcome cocktails and canapés, while the terrazzo deck by the swimming pool is perfect for a ceremony.

EVENT FACILITIES

The villa main's kitchen is not available for use during events; caterers should set up a satellite kitchen instead. There is a bar in the sunken balé that may be used for events, however, caterers must use plastic mats to protect its surface. For larger events, it is recommended that freestanding bars be set up on the villa's extensive lawns.

GUEST WASHROOMS

There is one guest washroom attached to the dining room. For larger groups, guests can also make use of the washroom located off the entertainment room. It is the responsibility of the EO to ensure the cleanliness of the bathrooms during events.

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up). Vendors and suppliers must "only" use the lower entrance and park their vehicles at the rear of the villa.
