WEATHER

April through to October offers ideal conditions for any event at Villa Avalon. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards.

A list of approved vendors can be proposed.

THE MAIN VILLA - AVALON I

The upper level living pavilion is an elegant open-sided fan space which makes an ideal area to welcome guests to the property. It is perfect for serving canapes and welcome drinks but should not be used as an event space.

The lawns are best utilized for ceremony and dinner reception. A beautiful garden Yoglo can also be used as the ceremony spot; the furniture in here can be removed to create space for the groom, bride and their celebrant.

EVENT FACILITIES

KITCHEN AND BAR

The main kitchen in Avalon I is not designed for event use; therefore a satellite kitchen must be set up in the parking area.

There is also no bar available for events but caterers may set up free standing bars on the lawn or in the deck area surrounding the swimming pool.

GUEST TOILETS

There is one guest toilet next to the dining; for larger groups we suggest that 1 x bedroom toilet becomes available. It is the responsibility of the EO's to supervise the cleanliness of these toilets during the course of the event and the guest to ensure belongings in the bedrooms that remain open are stored safely.

PARKING

There is no parking on site for EOs or suppliers and the access is quite narrow. Vehicles are permitted for one hour period for loading but should be off site at least one hour prior to the event. Guests should be encouraged to use drivers or taxis for events at Avalon Villa.

REGULATIONS AND RESTRICTIONS

Fireworks and/or Thai wishing lanterns are strictly forbidden.

Marquees are allowed, however these must be free standing.

Due to the residential area where the villa is located, live bands are not allowed and the curfew for all music is 11 pm.

No staging is to be built into or over the pool. Floating bamboo and foam structures for candles and flowers are permitted however they should be removed by the EO by 1am or as soon as guests enter the pool in order to avoid any damage to the pool.
