It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

The villa's gorgeous gardens, extensive flat lawns, fantastic living space and location beside a beautiful beach offer a splendid backdrop to any event. Imagine exchanging vows on the beach or in the Lembu Balé, then sweeping down the wide steps into the enchanting gardens for a candlelit banquet under a canopy of stars.

### GUEST WASHROOMS

There is one guest washroom located by the swimming pool. If additional washrooms are required, the ensuite of bedrooms 3 and 4 can be made available. It is the responsibility of the EO and the guests to ensure belongings in any bedrooms that remain open are stored safely. EOs are also responsible for the cleanliness of the bathrooms during events.

### KITCHEN AND BAR

The villa's main kitchen may be used for plating up only. Caterers should set up their own satellite kitchen by the staff area and supply their own bar for events.
