## WEATHER

April through to October offers ideal conditions for any event at Villa Kailasha. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events. When considering an event in the rainy season, please be aware that although there is ample garden space, there is no clear area for installing a marquee.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

## EVENT SPACE

The villa's extensive manicured gardens make a memorable setting for special events from small intimate dinners to more extravagant weddings. Ceremonies are usually held on the poolside deck, overlooking the ocean, with candlelit dinners to follow under a bright canopy of twinkling stars.

## EVENT FACILITIES

### KITCHEN AND BAR

The villa's kitchen cannot be used for events. EOs should set up a satellite kitchen in the car park close to the staff quarters.

There is no bar at the villa, therefore freestanding bars must be set up in the garden or by the pool deck.

## GUEST WASHROOMS

Since there is only one washroom available, we recommend that one bedroom ensuite be made available to guests. For events over 50 guests, EOs must supply portable toilets. It is the responsibility of the EO and the guests to ensure belongings in any of the rooms that remain open are stored safely. The EO is also responsible for ensuring the cleanliness of the washrooms during events.

## PARKING

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for a one-hour period for loading but should be off site at least one hour prior to the event. Guests should be encouraged to use drivers for events at Villa Kailasha as there is no taxi service in the area.

## REGULATIONS AND RESTRICTIONS

The living room is ideal for welcome drinks but should not be used as the main event space. Furniture in this room can be moved if necessary but not removed.

Staging is permitted over the pool however a site plan must be submitted a minimum of 45 days in advance of the event for approval. Floating bamboo and foam structures for candles and flowers are permitted however the EO should ensure their removal by 1am or as soon as guests enter the pool in order to avoid any damage or injury.

Fireworks and the release of Thai wishing lanterns are strictly forbidden.
