

YOUR WEDDING

Villa Mana is a sleek, modern seven-bedroom villa in the Canggu area with stunning rice field and mountain views. Uncompromisingly modern with clean lines, contemporary furnishings and a strong colour scheme, Villa Mana makes abundant use of local natural materials, with striking walls of rough river stone, woven rattan and tropical woods.

These guidelines are intended to give EOs and their clients guidance specific to Villa Mana and should be read in conjunction with [Elite Havens General Guidelines for Event Management](#).

AT A GLANCE

Max guests (main event)	: 100 Seated/200 Cocktail
Max guests (second function)	: 40 guests
Min stay	: 3 nights (low & shoulder seasons) 3 nights (high season) 5 nights (peak season)

Villa rates	: See villa website www.villamana.com
Curfews	: 11 pm for live bands and DJ 12 midnight for in house music
Events per year	: Max of 5 - no more than 2 events per month

WEATHER

As the main event space is at the bottom of the surrounding rice terraces, it can become flooded during times of heavy rain. Furthermore, there is no covered event space so we recommend holding events during the dry months from April to September.

It is compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa does not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides, curtains, and a proper flooring. A professional vendor is required to ensure the quality of the structure follows EH standards. A list of approved vendors can be proposed.

EVENT FACILITIES

KITCHEN AND BAR

The main kitchen at Villa Mana is not designed for event use so it cannot be used. Caterers must provide all kitchen equipment and the set up should be in the lower lawn.

The car park area should be left free for guests arrival and departure and therefore no satellite kitchen should be set up in the area.

There is also no bar available for events but caterers may set up free standing bars on the lawn or the roof top terrace.

GUEST BATHROOMS

Bathrooms in the bedrooms are not recommended for public use and the bathrooms should be locked during the event. There are two bathrooms available for public use. EOs are responsible for the cleanliness of these bathrooms during the course of the event.

PARKING AND ACCESS

There is no parking on site for EOs or suppliers. Vehicles are permitted for one hour period for loading but should be off site at least one hour prior to the event. Guests should be encouraged to use drivers or taxis for events at Villa Mana.

REGULATIONS AND RESTRICTIONS

The main living room is an ideal area to welcome guests to the villa. It is perfect for serving welcome drinks but should not be used as an event space. The furniture may be moved, but not removed.

The rooftop of Villa Mana is a beautiful area for alfresco dining or cocktails.

No staging is to be built into or over the pool. Floating bamboo and foam structures for candles and flowers are permitted however they should be removed by the EO by 1am or as soon as guests enter the pool to avoid any damage to the pool.

The lower lawn is a spectacular spot to hold ceremonies. We do recommend installing flooring though as it is at the bottom of a rice field and as such can quickly flood following rain. With our experience, a 1 meter high floor is appropriate.

The location of the generator must be approved by the villa manager at the beginning of the planning process. Typically, EOs have placed this on the land over the road but this requires a cable bridge. Smaller generators may fit on the same side of the road as the villa without obstructing traffic.
