YOUR WEDDING

Traditional Balinese design melts into modern luxury at Seseh Beach Villas, a dream wedding venue on Bali's south-west coast, close to one of Asia's top golf courses and the dramatic and very scenic Tanah Lot sea temple.

Seseh Villa I, a five-bedroom and Seseh Villa II, a six-bedroom - both with uninterrupted ocean views which are beautiful by day and spectacular at sunset. A full team of professional staff, a 17-metre pool and kids' splash pool, Seseh Beach Villas is as perfect for families as it is for weddings.

These guidelines are intended to give Event Organisers (EOs) and their clients, guidance specific to Seseh Beach Villas and should be read in conjunction with [Elite Havens General Guidelines for Event Management](#).

WEATHER

The weather factor to consider with Seseh Beach Villas the wet season from November till March. EOs are advised to consider these conditions and plan accordingly for events.

It is compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT FACILITIES

KITCHEN AND BAR

Caterers can set up a satellite kitchen outside Seseh Beach Villa main's kitchen. There is no bar available for event use therefore caterers will need to supply free standing bars and use a mat to protect the grass surface.

GUEST BATHROOMS

There are a total of six public toilets between both villas; they are located in the pool bale and additional ones can be found in the villa's main living room. EOs are responsible for the cleanliness of the bathrooms during the event.

PARKING AND ACCESS

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up only). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for one hour period for loading but should be off site at least one hour prior to the event.

POWER GENERATOR

Seseh Beach Villas has an 80 KVA generator which must be used at all times taking place in the property; the cost will be USD 200.

REGULATIONS AND RESTRICTIONS

For larger groups, we suggest to hold the ceremony on Seseh II and thereafter move to the front villa for sunset cocktails, followed by dinner reception.

Dancing is permitted either in the pool Bale or in wooden deck surrounding the swimming pool. Fire dancers are allowed in grass in front of pool.

The beach/pool bale furniture can be moved/removed allowing space for either bands/dj or events as a wet weather dining option.

Staging over the pool is permitted, however a site plan must be submitted at least 1 month prior to event day for prior approval.

Floating bamboo and foam structures for candles and flowers are also permitted and they should be removed by the EO by 1 am or as soon as guests enter pool in order to avoid any damage to the pool

Fireworks and/or Thai wishing lanterns are strictly forbidden.

Marquees must be freestanding.
