## WEATHER

The weather factor to consider with Villa Taman Ahimsa is the wet season from November till March. EOs are advised to consider these conditions and plan accordingly for events.

It is compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa does not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides, curtains, and a proper flooring. A professional vendor is required to ensure the quality of the structure follows EH standards. A list of approved vendors can be proposed.

## EVENT FACILITIES

### KITCHEN AND BAR

The kitchen in the villa is not suitable for event caterers; however, the caterers can set up a satellite kitchen by the pool bar, which can be accessible by a private side road.

There is a rather small bar by the pool available for events, therefore it is recommended to set up an additional one depending on the size of the party. For 40 guests and above, we recommend having 2 bars set.

### GUEST BATHROOMS

Bathrooms in the bedrooms are not recommended for public use and bedrooms should be locked during the event.

There are two public bathrooms available, one nearby the pool area and another one attached to the main living room. EOs are responsible for the cleanliness of the bathrooms during the event.

## PARKING AND ACCESS

The parking area is to be kept free for guest's arrival and departures (drop off and pick up only). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for an hour period for loading but should be off site at least one hour prior to the event.

## OTHER

The villa has two designated smoking areas only; either by the swimming pool/beach area and in the parking area by the villa entrance. Due to the building's natural elements, it is strictly forbidden to smoke in all bedrooms.

## REGULATIONS AND RESTRICTIONS

The lower part of the living room is ideal to welcome guests to the villa. It is perfect for welcome drinks but should not be used as an event space.

We recommend EOs to take care to ensure that equipment and guests do not damage the floorboards of the main living room.

No staging is permitted over the pool. Floating bamboo and foam structures for candles and flowers are permitted; however, they should be removed by the EO by 1 am or as soon as guests enter the pool in order to avoid any damage to the pool.

No glasses are allowed into the pool, if guests would like to take their drinks into the swimming pool; the Event Organizer must provide plastic cups/flutes.

Ceremonies can take place on the beach in front of the villa.

Marquees must be free standing; bars are also allowed on the timber deck surrounding the swimming pool. EOs are encouraged to place mats and covers to protect the surface.

Fireworks and/or Thai wishing lanterns are strictly forbidden.
